Friday 3rd November 2023

Dear Parents and Carers,

On Friday 24th November the children in Nursery and Reception will have a visit from Gauntlet Birds of Prey. They will be running an interactive workshop for our children. The visit will be ran by an educational team and will include flying demonstrations plus a chance for all the children to hold a bird and meet a ferret.

The children will also learn about:

Animals and their care

Conservation and protection

Habitat

Predators, prey and the food chain

The five senses and how birds use them

Flight and bird formation

For this visit we are asking for a voluntary donation of £4.00. We are aware that there is a cost of living crisis. If you feel you cannot pay this, please be aware that the donation is completely voluntary. If you would like to donate, please do so on ParentPay.

If you do not wish your child to take part in this activity, please speak to a member of the Early Years team.

We look forward to this fantastic event for our children.

Many thanks
EYFS team
