Dear parents/carers,

Recorder lessons

After Christmas Year 3 will be beginning to learn the recorder as part of the first access music programme. This will commence on Wednesday 10th January 2024 and continue each Wednesday until the end of the Summer Term.

The school has some recorders available for children, which will be washed and sterilised in advance of the lessons beginning. However, many of you may wish to purchase your own recorders for your children.

Michael Marks, the music teacher, has recommended that, should you wish to buy your own they would need to be descant or soprano recorders. He also recommends that they are made by Yamaha or Tiger, as these brands are correctly tuned and can be bought relatively cheaply from the internet. Amazon are selling them for £5-£6.

There will be no charge for the tuition.

Kind Regards

Brookburn
