Dolphins News

A huge welcome to the new school year to all our Dolphins! We all hope you had a fantastic summer holidays and are ready to enjoy fun, games, and activities at our before and after school clubs.

We would all like to welcome Vicky onto the staff team. Most of you will know her as she has been the senior lunchtime organiser with the school for many years. She has really enjoyed meeting all the children and is looking forward to working with everyone.

We have settled in with some great child-led activities such as den-making, Lego model building, and football. Some of the children also made Dino-gliders and once made they measured how far they could throw them.

Finally just a reminder for all parents to ensure they let us know, in advance, if their child will not be attending a session at Dolphins. Thank you.
