Dear Parents,

Re. Home-School Check in calls with class teacher

We are writing to invite you to opt in to the offer of a check in phone call with class teachers, to discuss how things are going during this period of school closure, and enable staff to offer any advice or ideas to support you during this time.

We appreciate that this is not something that everyone will want to have, and thus, have set up a system for parents to opt in to, thus enabling teachers to contact those of you wishing for a call. In order to ascertain who would like a check in call, the easiest way to do this is via the booking app that we have previously used to set up parents' evening appointments. Later today, you will receive a notification inviting you to book an appointment, following the link to a specific time slot. **Please ignore the time slot.** By booking an appointment, you are simply confirming to us that you would like a call. If you do not respond, we will assume that you do not want a call with your child's teacher. We ask that you please indicate that you would like a call by no later than noon on Friday 1st May.

Thereafter, our teachers will contact you to make arrangements for your check in call.

We hope everyone continues to be safe and well during this time.

Very best wishes,

The Senior Leadership Team
