Important notes

***Looked After Children (LAC)**

Looked after children are children who are looked after by a local authority. Children who were previously looked after by a local authority are children who were looked after, but ceased to be so because they were adopted (or became subject to a residence order or special guardianship order).

****Private fostering arrangement**

Private fostering is a private arrangement made usually between the parent or carer and another adult who is not a close relative (eg grandparent, brother or sister, uncle or auntie - full or half blood or step parent) where the parent or carer has made arrangements for the child or young person to live with and be cared for by that adult. Such an arrangement is not 'an informal care arrangement' and would be considered to be 'private fostering' where the child is under 16, or 18 if they are disabled, and the arrangement lasts, or likely to last, for 28 days. The Local Authority should be notified of all such arrangements. If you have informed us of a private fostering arrangement on the application form your details will be shared with other LA services.
