Dear parents/ carers,

Thank you to all of you who took the time to respond to the recent parent survey. There were 165 responses and although overwhelmingly positive, there have been some common themes that we would like to address.

As a new leadership team, it is important that we use the feedback received as an opportunity to improve and work together.

We have decided to start with focusing on three key areas that have been identified by those who responded and we would like to look at understanding these further.

The three key areas identified were:

- Communication
- SEND provision
- After-school clubs and after-school care provision (Dolphins)

We have created a further survey linked specifically to SEND provision:

We would also like to invite parents/carers to join focus groups linked to each area. These groups will be chosen to be reflective of our school community. Please indicate on the google form whether or not you would like to attend any of the focus groups:

Can I also take this opportunity to thank you all for your support in our first six months at Brookburn. Your feedback is greatly appreciated to ensure that we provide the best education for your children.

Kind regards,

Jen Holden
Head of School
